Watertown Police Department

2011 Community Survey

Executive Summary

Mount Marty College Psychology Department conducted a survey with the Watertown Police Department during the summer of 2011. The major purpose of the survey was to gage the residents' overall satisfaction of the Watertown Police Department. The survey was also intended to identify the community's perception of safety and crime in Watertown. The results of the survey will be used as a baseline to measure the community's ongoing perception of the Watertown Police Department. It is estimated the survey will be administered approximately every three years.

The survey was administered via both web-based and hard copy. Web-based surveys were completed on the Watertown Police Department's web page. Hard copies of the survey were completed at the Watertown Regional Library and dropped in a lock-box. Community members were informed of the survey through local media. 290 surveys were completed by Watertown residents. This report contains a detailed analysis of the results through graphs, charts, and cross-tabulations. The questionnaire used in the survey can be found at the back of the report.

The major findings of the survey include:

Overall Police Ratings:

- Of the 281 responses, 212 (75%) residents rate their overall satisfaction of the Watertown Police Department as either "excellent" or "good" (Question 6.3).
